Chairman's Report

Welcome

Welcome to all newcomers to the club and we look forward to seeing you at club sessions.

Our [Club website](#) is fantastic and a great source of information, so take a look and keep up to date with club events. It also saves money if we communicate this way!

2010 Subscriptions

The good news is that we have not increased annual subscription fees for the third running! However, your fees are now due for this year and you should have received a form by email. If not, a form is available to [download](#) from the club website. Please return *as soon as possible* to our new Treasurer Martyn Hewett (details on form).

Wimbledon Ticket Draw

If you would like to enter the draw for the Club's allocation for Wimbledon tickets, please put your name, phone number and BTM number on the sheet on the Club notice board. The draw must take place by **21st April** so hurry and register your interest. *Please note that you have to pay for the tickets.*

The Club is allocated tickets according to how many members have British Tennis Membership and therefore **you may only enter the draw** if you have registered with British Tennis and you have paid your 2010 Bridge Tennis Club dues. If you wish to become a British Tennis member register at www.lta.org.uk.

Wilson Dover & District League

The league games will start later this month. We will be represented by two mixed teams and one ladies team.

Check the website for schedule and results. If you are interested in playing league tennis, please [contact the team](#).

The **match practice** sessions continue on Saturday mornings, organized by Rhona and Barrie. They are well attended and have helped improve our doubles play.

All interested players are welcome, and play starts around 9:30 AM.
